

Visits of friendship

the painter Trento Longaretti

We are grateful to **Alessandro Spina**, with whom we, together with various friends, spent an intensive Sunday of in-depth study of his work as writer and as personality-bridge with the Arab world; to **Chiara Frugoni**, medievalist and friend of the community for many years, who in one of our traditional Sunday *Confronti* gave us her extremely timely reflections on St Francis of Assisi

We are grateful to **Alessandro Spina**, with whom we, together with various friends, spent an intensive Sunday of in-depth study of his work as writer and as personality-bridge with the Arab world; to **Chiara Frugoni**, medievalist and friend of the community for many years, who in one of our traditional Sunday *Confronti* (meetings) gave us her extremely timely reflections on St Francis of Assisi; to soprano **Luciana Serra** and the Nuovo Insieme Strumentale Italiano, who performed the Stabat Mater by Luigi Boccherini, chosen on purpose for the fifth Sunday of Lent and of the Passion; to the Cappella musicale della cattedrale di Lodi, our guest for the concert of Pentecost; and finally to the Russian poet Ol'ga Sedakova and to the painter **Trento Longaretti**, who visited us: two figures of authentic pilgrims and seekers of the Spirit, who symbolize well all the friends and guests who continually make us the gift of their presence among us.
