

# Workcamps for young people

**Work activities** are organised **for the mornings** and **in the afternoons meetings** are planned to discuss the Bible as well as the opportunity of meeting with some of the brothers and sisters of the community.

Arrival at Bose for the above workcamp experiences is on Sunday afternoon with departure after lunch on the following Saturday.

Each day follows the rhythm of the liturgical prayers.

There is **no charge** for the above.

Bose, estate 2007

Workcamps are open during all summer. You can participate contacting the hospitality.
