

Candles

the handicraft of decorative candles

Recently we have begun a new activity: the **handicraft of decorative candles**. Our candles are made from refined paraffin with the addition of stearic acid.

Candles of Bose

Recently we have begun a new activity: the **handicraft of decorative candles**.

Our candles are made from refined paraffin with the addition of stearic acid.

At present we offer:

LITURGICAL CANDLES

COLORED CANDLES

The candles of Bose are on display in the hall next to the reception room of the monastery.
